

RE-GATHERING WORSHIP BEGAN JUNE 21, 9:40AM

We have been preparing, praying and planning to re-gather together once again and in person beginning on June 21st. **One service will be offered in the Sanctuary.**

There is no service in the Old Chapel or Worship Center at this time. Both of these spaces are being used for recording broadcasts of "Virtual Community."

We are not asking for reservations at this time, however, we would appreciate having an idea who plans to attend so that we are as prepared as possible. Please take a brief moment to fill out the form. If you are not able to complete the form, you are still welcome to attend worship in person.

Please take note of the following information so that you may be prepared when you arrive at church and can fully enjoy the service:

- ✪ Please plan to **wear a mask while you are in the building**. Please also be aware of your surroundings as you enter and depart the worship space maintaining physical distance appropriately.
- ✪ If you do not feel well for any reason, we request that you stay home and participate in worship online. Please reference the Health Screening Guide.

Worship

- Seating will be marked to allow for proper 6 ft. distancing. Available seats in the Sanctuary will be marked with blue tape on the back of the pew. Families are welcome to sit together in the marked area of the pew.
- Masks will be used at all times during the worship service. This includes when singing.
- Bulletins will be waiting for you in your selected seat.
- Offering baskets will be available in the Narthex at the end of the service. You may also give electronically online at armstronghcapel.org. Click the giving button in the top right of the main menu.
- **Worship will continue to be recorded and available online for anyone who is not ready to participate in person.**
- Registering your attendance is especially important in the event we need to notify anyone of COVID related illness. Please be sure to use the church app or complete a connection card placed at your seat. Feel free to keep the pen. Drop completed cards in with the offering as you exit.

Hospitality Time

The fellowship time before and after worship is on hold. Not only is it difficult to serve food and beverages safely, we do not want to encourage gathering too closely at this time.

Children's Sunday School & Youth

Pre-recorded children's and youth ministry programming will continue online. Children's Sunday School and the nursery will not be available at this time. The youth are meeting both virtually and reintroducing some in person activities. Visit the website for details.

Thank you in advance for your patience and your attention to these guidelines. As we live into this process, we will continue to evaluate the needs in order to keep everyone safe and healthy.
